Today We Celebrate Earth Day

Earth Day was Saturday, April 22. Today our service will celebrate our planet home! Along with Unitarian Universalist Ministry for Earth, we envision a world in which reverence, gratitude, and care for the living Earth are central to the lives of all people. Thanks to CC King, we will have big puppets of Otter, Owl, and Whale joining us! Be uplifted by our connections to all living beings through music, story, and the many ways we are taking action as individuals and as a congregation. This service will be led by Rev. Amy Freedman in partnership with our Environmental Team and First Parish leaders. The Environmental Team will provide meatless tacos at Coffee Hour today in support of environmentally friendly foods.

Concord Prison Outreach: Interfaith Event Sunday, May 7, 3 p.m.

In person, Parish Hall

All three world religions invoke compassion for those imprisoned as necessary for healing the world and dwelling on the side of compassion. We are uniquely positioned to serve these incarcerated populations through our two prisons.

Concord Prison Outreach helps address needs of the incarcerated through its programs and support.

First Parish is hosting CPO in an inter-faith gathering at First Parish in Concord, 3-4:30 p.m. on Sunday, May 7, 2023. Together we can make a significant difference for these men and their families, and help us better fulfill our prison ministries.
