Real World Tools for Addressing Conflict in Healthy Ways

Saturday, January 27, 9:30 a.m.

Parish Hall & Parlor

Have you ever avoided conflict because you weren't sure how to respond? Maybe you were worried things might escalate. Or maybe you just didn't feel equipped to respond at the moment. Please join us for this practical workshop. We'll begin the day with a bit of theory from restorative practices and end the day with practice of the tools you've learned. You will leave this workshop with concrete tools to respond in healthy ways when conflict is present. This will include bystander intervention, de-escalation, and other helpful means for addressing conflict in the moment.

**Welcome! We are so glad you are here. Please stop by the Welcome Table after service
or fill out a Connection Card located in your pew.**
